EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Robert B. O'Rourke on 29 March 2007.

The application has been amended as follows:

- In claim 1, line 8, "header's IP layer" has been changed to --header's network layer--.
 - In claim 1, line 19, "component of" has been changed to --component of;--.
 - In claim 2, line 1, "first network protocol" has been changed to --first transport layer network protocol--.
 - In claim 2, line 2, "second network protocol" has been changed to --second transport layer network protocol--.
 - In claim 4, line 1, "first network protocol" has been changed to --first transport layer network protocol--.
 - In claim 4, line 2, "second network protocol" has been changed to --second transport layer network protocol--.
2. The following is an examiner's statement of reasons for allowance: while the prior art discloses performing network layer processing on one processor and transport layer processing on another processor, the prior art does not disclose having each processor perform both network layer processing and transport layer processing where a packet will be sent to one processor for
